Subject: Questions on Lyon-Turin

Dear Mr Valli,

At the meeting on 27 April 2016 in the European Parliament you presented my former director, Mr Olivier Onidi, with a list of questions on Lyon-Turin. Mr Onidi promised to reply in writing.

On 26 May 2016, you sent a second list of questions to Mr Onidi, partly consisting of reformulated questions of 27 April, partly containing entirely new questions.

Attached please find the answers to those questions which DG MOVE can address. As regards the remaining questions on the co-funding of this project, the Commission services will be happy to assist the Members of the European Parliament through the well-proven channel of parliamentary questions and of requests for access to documents.

Yours sincerely,

Herald Ruijters
